The Ambercroft Training Centre is located on approximately seventeen acres of land on Major MacKenzie Drive just east of Leslie Street in Richmond Hill.

Since 1978, we have provided *"Just-In-Time"* and *"Custom"* training programs to meet the challenging needs of our members and signatory employers. Proudly, and proactively we work together with labour, management, government and community service associations. We promote health and safety in the workplace while also meeting the growing training needs of our various industries.

As an affiliate of LIUNA Training & Education; we are one of more than 70 training centers located throughout Canada and the United States. Each year we continue to develop quality, comprehensive, up-to-date specialized skills and safety training for our members through *certification, retraining* and *apprenticeship programs*.
